LIVING LIFE IN ALL ITS FULLNESS

20th June 2022

Dear Parents,

I hope this email finds you well. On the latest newsletter, sent out on Friday 17th June, I mentioned that I would be sending you some information regarding our school vision.

Through our Christian faith, we acknowledge our responsibility to all, to enrich lives and show love and respect within our school and the community. We believe in educating the whole child and cherish and encourage everyone to treat each other as unique individuals. We want the children of St Margaret's at Hasbury CE Primary School to be caring and respectful towards one another; confident and courageous in the face of challenge and to always be the best they can be.

I have come that they may have life, and have it to the full (John 10:10)

'Living Life in all its Fullness'

Our church school is a place where loving God and our neighbours is lived out in the daily life of the school. Our school vision is based around the Christian belief that we are all 'made in the image of God' and this means that all children, staff and visitors are equally important and equal in His sight.

Our understanding of the unique worth of every member of our school family, our local community and God's world, is central to all that we do at St Margarets. It affects how we treat each other, our curriculum offer, how finances are spent, our charitable work and our commitment to developing children as young respectful adults.

God's love is expressed implicitly through the value we place on the uniqueness of every individual and how we make them feel valued in order to enable them to grow spiritually, morally, culturally and academically. From love stems many values.

After consultation in 2019, the school community felt the values that promote peace and goodwill among people and in accordance with the purpose of God are: Love, Forgiveness, Trust, Respect and Courage. These are our school values that every member of the school community live out daily.

Kind Regards

Sara Shepherd
